

Dear Sir or Madam:

The International Center provides a unique service to the FSU campus and the Tallahassee community by providing non-academic assistance to approximately 1,400 international students, scholars and their families from over 100 countries. The International Center also facilitates the interaction of international students with the Florida State University and Tallahassee community. One program the International Center hosts that helps fulfill our mission is the International Bazaar.

For 14 years the International Bazaar has celebrated world cultures through music, art and cuisine. Organizations get the chance to represent their country and share their culture with others. This year's International Bazaar will include a variety of traditional dishes, interactive cultural performances, as well as informative displays from a multitude of countries. The International Bazaar provides the perfect opportunity to showcase one's heritage while fostering cultural awareness and understanding. The goal of the International Bazaar is to promote knowledge and appreciation of diverse cultures which is essential in an increasingly global world.

The International Bazaar is scheduled for **Saturday, March 21, 2009** from 1:00-5:00 p.m. in the FSU Oglesby Union Ballrooms. The FSU International Center is hosting this very popular event which celebrates cultures from around the world. Your support as either a sponsor or a door prize donor will make this event more exciting and provide an advertising opportunity for your business. It would be the pleasure of the International Center to continue to promote your organization to a large group with an interest in world cultures. Attached is the sponsorship agreement for your review; any support would be greatly appreciated.

Thank you for your support in our efforts to infuse Florida State University and Tallahassee with cultural awareness and understanding. Any questions will gladly be answered and can be directed to myself at the information listed below.

Again, thank you for your assistance in making this event as successful as it has been for the last thirteen years. I look forward to working with you in the months to come.

Best wishes,

Aleksandra Nestic, M.A.
Campus and Community Programs Coordinator
